↑ Fires involving Power-Assisted Bicycles and Personal Mobility Devices

A Safe and Secure Home

OVERVIEW OF 2018 SAFETY AND SECURITY SITUATION

SGSecure has gathered significant momentum and achieved good progress in raising public awareness and preparedness.

9 in 10 Singaporeans

recognise that they have a role to play in safeguarding our nation's safety and security

3 in 4 Singaporeans

are now aware of SGSecure

1 in 2 Singaporeans

believe that they are well prepared to handle a terror attack if it was to happen in Singapore

The Home Team will build on this momentum and continue to work with partner agencies to further strengthen our preparedness.
