2. In April 2018, MHA introduced the SCDF Paramedic Scholarship to provide recipients with a meaningful and rewarding career in the SCDF and the Home Team. Our selection criteria include strong academic and co-curricular achievements, leadership qualities, as well as their commitment to our Home Team mission. The scholarship recipient will read a degree in Para-medicine or related disciplines in Emergency Health or Clinical Practice in overseas universities. Scholarship recipients will acquire advanced medical competencies, policy conceptualisation skills, and command abilities through relevant postings which will prepare them eventually to take on key leadership positions in the SCDF.

3. The Home Team scholarships aim to bring individuals with excellent academic and co-curricular achievements, as well as outstanding leadership qualities, into the Home Team. Recipients must be keen to pursue a career with the Home Team. They will pursue studies in a range of disciplines at local and overseas universities.

4. For 2018, MHA will be awarding 17 scholarships – 2 SPFS, 1 SMS, 5 SGS, 8 LMS and 1 HTLSA. The number of recipients for the past five years is at [Table 1](#).
