

Annex C- “The Fall of the Idol: External Action and Individual Jihad”

- A publication in Arabic titled “The Fall of the Idol: External Action and Individual Jihad” circulated online in mid-October 2016 had encouraged terrorists to hurt Western interests by attacking financial and economic infrastructure contributing to the global economy.

“The Fall of the Idol: External Action and Individual Jihad – Importance, Goals, Methods of Action and Tools”

– Sulayman al-Ali

- Along with US and European targets, the publication cited two entities in Singapore as potential targets in the wider bid to bring down the US and Western interests by attacking the international economy.
