- Restaurant iSSWG is the **10th iSSWG** launched since the framework's introduction in 2008.
- This platform creates valuable opportunities for SPF and restaurant operators to **co-create a safe dining experience**.
- Given Singapore's position as a major food hub and tourist destination, the restaurant industry must **maintain vigilance** against safety and security threats.
- To ensure a safe and lively restaurant scene, **F&B operators and patrons need to be aware of security threats and emergency preparedness**.
