- The Singapore Terrorism Threat Assessment Report 2025 observed that the terrorism threat to Singapore remains high, with global terror groups and ongoing overseas conflicts fuelling calls for attacks.
- Artificial intelligence is an emerging enabler for terrorists to plan attacks, generate propaganda and facilitate recruitment, among other means.
- Youth radicalisation is a growing concern, with 17 youths (aged 20 or younger) dealt with under the Internal Security Act since 2015.
- Everyone has a role in countering terrorism by staying alert and reporting suspicious activity or signs of radicalisation early to ISD at 1800-2626-473. We must also be prepared for the eventuality of a successful attack.
